AMENDMENT, SUMMARY OF INTERVIEW
AND REQUEST FOR RECONSIDERATION

OK To enter EPC 2/25/03 Sir:

At the interview on January 29, 2003, the Examiner authorized Applicant's attorney to cancel claim 88 and to rewrite claim 89 in independent form, and to file a new claim (now claim 112) depending from claim 82 that recites the fact that there are, two addresses in the position of a sender's address and two addresses for the addressee on the originating sheet etc. Hence, the following amendment is made:

AMENDMENT

IN THE CLAIMS:

Rewrite claims 82, 89, and 103 as follows:

82. A postal envelope system comprising:

an outgoing envelope and a reply envelope contained within said outgoing envelope, wherein said envelopes each have a mail-to address and a return address printed thereon,

an originating sheet, covering said outgoing envelope, having
